Delivering Healthy Mothers and Healthy Babies in Haiti

Dear Ms. Wickman,

Thank you for your support of Maison de Naissance (MN). Your gift of \$170.00, which we received on 3/16/2010, will help us continue to deliver healthy mothers and healthy babies at our birthing home in Haiti. Thank you, too, for spearheading the fundraising efforts of Radiant Living yoga and Ayurveda.

Your support allows MN to continue to provide high quality maternal and infant healthcare, through our core services continuum: women's reproductive health, prenatal care, supervised labor and delivery, postpartum care, well baby visits and vaccinations, and community health promoters.

Maison de Naissance Foundation is a 501(c)3 non-profit public charity (tax ID 41-2156522). No goods or services were received in exchange for this contribution which is tax deductible to the fullest extent of the law. Please retain this document as your official tax receipt.

Our vision is "healthy mothers and healthy babies" - communities where maternal and neonatal mortality rates are low, and where every child has the opportunity for a healthy birth. As is said in Haiti, "Mesi Anpil" -- "thank you very much" -- for partnering with us to make this vision a reality every day.

With gratitude,

Heather Ehlert
